Boris ‘glad Trump isn’t president’

BORIS Johnson will be glad Donald Trump has not been re-elected for a second term as U.S. president, ex-Civil Service head Lord Sedwill has suggested.

Writing in the Daily Mail, Lord Sedwill said those who believed Boris Johnson would have preferred Mr Trump to win again were “mistaken.”

He said he “would not have been to the benefit” of British or European security, trade or environment issues.

Downing Street said Mr Johnson looked forward to working with Joe Biden.

The Prime Minister’s public reflections on Donald Trump have varied considerably.

In the past he has accused him of “stupefying ignorance” over his comments about London violence, yet has also praised him as having “many good qualities”.

Boy, 13, faces murder charge

A BOY aged 13 has been charged with murder after a man was shot dead in west London.

Shakur Hassan, 23, was killed in Hayes on October 13 last year, while a burnt-out car was found a few miles away.

The boy, who cannot be named because of his age, appeard at Uxbridge Magistrates’ Court yesterday along with Guled Hassan, 21, from Southall, who is also charged with murder.

A 16-year-old boy, who cannot be named, and Jamie Ayres, 46, from Northolt, are due to appear at the Old Bailey this week charged with murder.

FLOODY HELL!

WATER DISASTER: The Ouse in York overflows, and drivers have been stranded

North hit by 48-hour deluge

A MAJOR incident was declared in South Yorkshire yesterday as Storm Christoph brought widespread flooding to parts of England.

The Met Office issued an amber weather warning for rain in Yorkshire and the Humber, the North West, East Midlands and the east of England.

The Environment Agency said the combination of heavy rain and snowmelt created a “volatile situation”.

Sandbags were laid in at-risk areas, with up to three inches of rain expected.

In isolated spots, particularly in the northern Peak District and parts of the southern Pennines, almost EIGHT INCHES of rain were expected during the course of the storm.

In the amber warning area, the Met Office said there was a “danger to life” due to fast-flowing floodwater, and said some communities could be “cut off”.

It also predicted delays and cancellations to public transport, with the amber warning in place until noon on Thursday.

Ros Jones, mayor of Doncaster, said key risk areas had been inspected over the past 36 hours, with the delivery of sandbags continuing on yesterday.

“I do not want people to panic, but flooding is possible so please be prepared,” she said.

NEW FIGURES SHOW INFECTION LEVELS

ONE IN EIGHT HAS HAD COVID-19

By ROY DURRIDGE news@sundaysport.co.uk

AN estimated one in eight people in England had had COVID-19 by December last year, up from one in 11 in November, new figures show.

Antibody data on infection in private households suggests that one in 10 in Wales had also been infected by December, alongside one in 13 in Northern Ireland and one in 11 in Scotland.

The figures come from the Office for National Statistic’s COVID-19 Infection Survey in partnership with the University of Oxford, University of Manchester, Public Health England and Wellcome Trust.

Statistics from Cambridge University last week indicated that the proportion of the population who have ever been infected was 30 per cent in London, 26 per cent in the North West and 21 per cent in the North East.

This dropped to 13 per cent in the South East and eight per cent in the South West.

With more than half of the over-80s and half of elderly care home residents having received the jab, ministers have now given the go-ahead to begin vaccinating the next priority groups – the over-70s and the clinically vulnerable.

On Monday night, Matt Hancock acknowledged that some parts of the country had made better progress than others vaccinating those in the top priority group, but said more supplies of the vaccine are being pumped to areas that have fallen behind.

But some GPs have taken to social media saying they are “crying out for more vaccines” and that their elderly patients want to be vaccinated in their local surgeries rather than having to travel further afield to mass centres.

The Government is on track to vaccinate 15m people by February 15.

BUT IT’S NOT ALL BAD NEWS...

MATT HANCOCK ISOLATING AFTER VIRUS ALERT

HEALTH Secretary Matt Hancock has said that he is self-isolating after coming into close contact with someone who has tested positive for coronavirus.

He revealed he was alerted by the NHS app on Monday evening, having led a Downing Street press conference.

He said in a video on his Twitter account yesterday morning: “Last night I was pinged by the NHS coronavirus app, so that means I will be self-isolating at home, not leaving the house at all until Sunday.

“This self-isolation is perhaps the most important part of all the social distancing because I know from the app that I’ve been in close contact with somebody who’s tested positive, and this is how we break the chains of transmission. I’ve got to work from home for the next six days.”

It is understood that the Health Secretary was given the duration of his isolation period by the NHS app.

‘Brexit’s not to blame for low supplies’

NORTHERN Ireland Secretary Brandon Lewis has said the country’s empty shelves have nothing to do with Brexit.

He blamed the pre-Christmas shutdown at Dover over the highly infectious strain of COVID-19 for interruptions in the flow of goods across the Irish Sea.

The Secretary of State said supermarket supply lines were good.

He said in a radio interview: “That’s actually something we’ve seen across other parts of the UK as well, nothing to do with leaving the EU, nothing to do with the Northern Irish protocol but actually to do with some of the challenges we saw with COVID at the Port of Dover just before Christmas and the impact that had on supply lines.

“Supermarket supply lines at the moment are in good fettle.”

Mr Lewis said the UK is working with the EU to get a “permanent resolution” before a soft-touch three-month period ends.

Aldi delivers on staff pay

DISCOUNT supermarket chain Aldi has delivered a new year pay rise for its 30,000 store staff and revealed plans to recruit another 4,000 workers over the year ahead.

The German-owned retailer said it will increase its national minimum hourly pay rate for store employees to £9.55 from February 1, from £9.40.

Those who work inside the M25 will earn at least £11.07 an hour, up from £10.90.

Aldi is one of the only UK supermarkets to pay for breaks and claimed that, including these, its national hourly rate for an average shift will rise to a sector-beating £10.11.

It came after Morrisons last week became the first UK supermarket to announce its minimum pay will increase to £10 an hour from April.

Justice takes coronavirus hit

CRIMINAL justice watchdogs for England and Wales have warned of “grave concerns” about the impact of court backlogs caused by the pandemic.

Inspectorates for the criminal justice system say the damage it has caused could last years.

It comes after figures revealed the backlog in the crown courts has reached 54,000 unheard cases.

Women ARE noisier in bed than men... OFFICIAL

WOMEN are noisier than men when they are having sex, according to a new survey.

It found that a whopping 82 per cent of women said they made more noise than their partner during love-making.

And 63% of men confirmed their female lovers drowned them out when they were getting intimate.

The noisiest sex happens in the first month of a relationship for 81% of couples – because that is when passion is at its peak.

By GRACE HOOPER

news@sundaysport.co.uk

Seven out of 10 women (73%) and 68% of men said they make more racket when they first start sleeping with a new partner because they are more excited.

The vast majority of men (78%) said they were turned on when their lover made noise during sex.

Pleasure

A similar number of women (76%) liked it when their lovers audibly expressed pleasure during sex.

The results were revealed in a poll of 2,000 people by IllicitEncounters.com, the UK's leading affairs site.

It found that 59% of men and 57% of women had been overheard having sex because they were making so much noise.

A further 65% of men and 63% of women had heard other couples during love-making.

Men and women who are married or in long-term relationships are quieter when making love to their spouse than they are with their lover.

Six out of 10 women (62%) and 72% of men said they make more noise in bed when they were cheating.

Scientists say there is no physiological reason why women should be noisier than men in bed.

IllicitEncounters.com sex and relationship expert Jessica Leoni said: "What is clear from these findings is we tend to make more noise in bed when we are excited.

"Sexual excitement tends to peak in the first month of a new relationship, when you are discovering each other's bodies and going through that honeymoon period when the sex is amazing.

"That is when both sexes are most likely to scream the house down.

"After that initial excitement, sex becomes a little more routine and less exciting – and the noise levels go down."

MIA'S FANS-TASTIC GIFT

SEXY former porn star Mia Khalifa has proved she's got a big heart as well as big boobs – by donating £118,000 to charity after her OnlyFans account proved to be a big hit.

The babe, 27, had charged fans around £8.85 a month to view her posts on the 'content subscription service'.

And Khalifa – once Pornhub's most-watched star – revealed she's donating all the money to charities close to her heart.

The West Ham fan *(right)* told her 22.6million Instagram followers: "Thank you all who supported me – I'm so grateful."

Kate: Naked lesbo scenes 'felt good'

KATE Winslet has opened up about her surprise at how she 'felt good' shooting nude scenes for her movie *Ammonite* at the age of 43.

The *Titanic* actress stars alongside Saoirse Ronan in the movie, which follows palaeontologist Mary Anning and her minge-sucking romance with Charlotte Murchison.

Kate *(above)* said: "I remember saying, 'Here I am, doing nudity at 43. How is this possible?'

"I swear, I thought I was going to hang up my hat when it came to nudity on screen."

Kate added: "But I was surprised at how I felt. I felt quite good about it, really.

"I've got all my marks and scars, and I'm older.

"It's a different body than the one I had 20 years ago."

Kate and Saoirse even choreographed their own sex scenes.

LICKING GOOD... Phoebe and Regé-Jean enjoy steamy action on the stairs and in the bedroom

HOT ACT: Phoebe and Regé-Jean in bed and on the set

STARS of the Netflix smash *Bridgerton* are up in arms after X-rated scenes from the show were shared on PORN websites.

Bosses at the streaming giant are doing all they can to try to remove the scenes that feature lead actors Phoebe Dynevor and Regé-Jean Page.

The scenes that have been pirated from the incredibly popular eight-part period piece have since garnered hundreds of thousands of views.

By SUZIE SHELDON
news@sundaysport.co.uk

Various clips have since been removed from adult platforms, while other platforms have been suspended after receiving warnings from Netflix.

Some scenes have ended up on top-rated filth site Pornhub, which also features:

- Full and oral sex
- Eyewatering ANAL
- Watersports
- Fisting
- Bukkake

Phoebe, who plays the socialite Daphne Bridgerton, is reportedly devastated over the news that her scenes are being ogled on porn websites.

An insider revealed: "Bridgerton's sex scenes appearing alongside some of the most obscene material the web has to offer has sparked horror and anger.

"Raunchy set pieces have contributed to the buzz, but it is a prestige drama based on best-selling novels.

"To peddle scenes as pure smut for sex fans to furiously masturbate over until ejaculating streamers of hot, sticky SPUNK all over their laptops is simply beyond the pale."

The source added: "It has been particularly distressing for Phoebe and Regé-Jean, two young actors who signed on for the role of a lifetime and did not consent to being exploited in this way.

"Netflix has been working tirelessly to hunt down pirates and eliminate misuse of their intellectual property.

"Anyone thinking about trying this will have the full force of the globe's biggest streaming service against them."

Bridgerton is packed with sex scenes, which initially left many fans horrified after watching it with their parents.

HOLLY GETS GIGGLES OVER PHIL'S BUSH!

FIRE CRACKER: Pair howl at Phil's joke

DAYTIME telly hosts Holly Willoughby and Lorraine Kelly were in stitches when Phillip Schofield joked about a FANNY BLAZE.

Phil, 58, was sitting alongside Holly on Tuesday as they recorded a live link with Lorraine to talk about what was coming up on *This Morning*.

The Scot had just finished speaking to a showbiz colleague in LA about the news that a vagina-scented candle designed by Gwyneth Paltrow had exploded in a woman's living room.

When Lorraine asked the presenting duo if they were aware of the story, Phil blurted out: "It's a bush fire!"

London's Jody Thompson, 50, had won the candle sold by the Hollywood star in an online quiz.

The candle is described on Gwyneth's Goop website as "funny, gorgeous, sexy and beautifully unexpected".

But Jody was taken by surprise after lighting it when a 50cm flame leapt from the candle and out of the glass jar.

She said: "The whole thing was ablaze and it was too hot to touch. There was an inferno in the room.

"We eventually got it under control and threw it out the front door. It could have burned the place down.

"It was scary at the time, but funny looking back that Gwyneth's vagina candle exploded in my living room."

Iron Man star Gwyneth, 48, launched the £57 This Smells Like My Vagina candle last year.

Sixth series is final fling for Peaky Blinders

THE sixth series of *Peaky Blinders* will be the last, writer and creator Steven Knight has confirmed.

The BBC crime drama has resumed filming after being hit by COVID-related production delays.

Knight said the show is "back with a bang" and warned fans that the mobsters would face "extreme jeopardy" in the final season.

He teased that while the TV series is coming to an end, "the story will continue in another form".

Knight previously set out plans for a seven-season run of the drama, which is set in post-World War One Birmingham.

No explanation has been given for the change. But Knight, an Oscar-nominated screenwriter, has previously revealed he had been "approached" to take the Shelby crime family universe to the big-screen.

The show follows gang leader Tommy Shelby, played by Cillian Murphy *(above)*, and his family.

COVID ripping through jail's nonces' wing

COVID is running riot in the nonces' wing of a British prison.

One source said "the wheels have come off" after the virus spread through I and J wing, which houses HMP Hull's sex offenders.

The source says there were up to 100 confirmed cases at the prison and at least one COVID-positive prisoner has died.

The source says staff numbers have been decimated as prison officers either caught the virus or had to self-isolate.

He claims: "It has been travelling round the prison at an alarming rate.

"There is a concern because there tends to be an older age bracket in the I and J wing which houses the sex offenders.

"There have been very unwell prisoners on ventilators and in comas."

Court hears teacher was 'too short' for sex standing up

By SUZIE SHELDON
news@sundaysport.co.uk

A TEACHER was "too short" for sex standing up – which she was accused of having with a schoolboy who was so tall that she did not even reach his shoulders, a jury was told.

Married Kandice Barber, 35, was also accused of straddling the teenager in her 4x4 car and then walking with him into a wooded area, where she allegedly performed a sex act on him while he lay on the ground, the jury heard.

Barber, who has school-age children of her own, denied the trysts ever took place and her lawyer questioned the logistics of the "tiny" supply teacher having sex standing up with the 15-year-old boy.

Naked

Jurors at Amersham Law Courts were told earlier that Barber had already been convicted at a trial in September last year of sending a video to the boy, showing her pleasuring herself while on a bed surrounded by sex toys and sexually communicating with the complainant.

Defending Barber for the second time, Nadia Chbat questioned the complainant, now 18 and appearing by video link, over his claims that he met the teacher for sexual activity on three occasions.

Ms Chbat said: "You told the police that you were stood behind her. You had pulled your clothes down.

"You told the officer that your hands were on her bottom so you could see her naked bottom and she used her hands to guide you into her.

"You accept she is quite tiny, only about five feet isn't she, so you were taller than her at the time, weren't you?

"You did not even think she could reach your shoulders at the time, would she?"

The lawyer questioned the teenager over claims that he had been given a pregnancy scare by Barber, pointing out that a condom had been used and he had seen no problems with the device.

In cross examination, the boy could not name the specific dates when sexual activity had taken place but he said it was from October 11 2018 and immediately before the school half term, with two of the meetings happening before his 16th birthday and one taking place afterwards.

On another occasion, the boy said Barber drove them to the side of a busy main road and parked so he could perform a sex act on her, before they got out of the car and she gave him oral sex.

Ms Chbat said: "Let us just understand, you are fingering her in the car, you then get out of the car and walk to a little wooded area. That is where she, you say, performed oral sex on you.

"Why would you get out of the car at all? She is on top of you and you are performing a sexual act in the car. What was the need to get out of the car? Presumably it would have been just a matter of her body being moved down further on your trouser area?

"Instead, a decision was made to get out of the car and walk into the wooded area.

"You both walk to this wooded area and that is when you then lie down in the wooded area and you say she performed oral sex on you."

The teenager agreed with that description of the events and stated that they had to get out of the car because his teacher had parked right next to a busy main road near to his home in Buckinghamshire.

Tattoos

In a police interview, the schoolboy told how Barber had sent him multiple illicit images of herself and a video of her masturbating while surrounded by sex toys.

Despite Barber having tattoos on her arms, rib and thigh, the court heard how the boy had not saved other images, which only showed his teacher's body.

Barber, of Wendover, Bucks., denies three counts of causing or inciting a child aged under 16 years to engage in a sexual act.

The trial continues.

UNDIES GIRL KNEED COP IN THE NUTS

A LINGERIE model kneed a cop in the groin while dressed in skimpy underwear because she 'didn't want men near her' after being groped at a car festival, a court heard.

Kayleigh Laws wrestled with the officer when he tried to detain her because he thought he smelled cannabis coming from her car after she left Goodwood Revival Festival.

The hearing was told she had been working as a hostess and serving drinks to a private party at the festival in West Sussex with her friend Sally Phillips.

The group drank Prosecco before a row erupted and Laws *(left)* and her friend went to stay in her car.

Security staff concerned by the driving of the car called police and the women were approached by PC Trevor Burton in a lay-by.

He smelt cannabis and knocked on the window to carry out a search.

No drugs were found but Laws erupted when the officer tried to detain her and she started resisting as PC Burton arrested her against the bonnet of her Vauxhall Astra.

Prosecutor Gaynor Byng said: "She became aggressive, shouting and swearing in his face. She was unsteady on her feet.

"He took hold of her wrists, at which point she raised her knee towards him, striking him in the groin."

Defending, Mark Rogers said Laws reacted to being touched by the officer because she had been groped earlier in the day.

Laws, 28, from Bristol, admitted assaulting the PC and possession of an offensive weapon after a knuckleduster was found in her vehicle.

Laws, who has 23,000 followers on Instagram and runs an OnlyFans page, was sentenced at Worthing Magistrates Court to a community order and told to complete 60 hours' unpaid work.

Revenge porn woman posted 180 nude pics

A WOMAN mailed out 180 nude images of two men she was angry with, it is claimed.

Sarah Pharis, 32, was first arrested on December 28 after allegedly posting 150 images of an unidentified man to at least 30 people.

She is said to have travelled from her home in Sulphur, Louisiana, to Texas to post them.

Pharis was arrested again after Calcasieu Parish Sheriff's Office learned of a second man she is said to have humiliated with revenge porn.

A sheriff's office spokesman said the original batch of letters also contained nudes belonging to the second alleged victim.

Pharis *(above)* faces 180 counts of non-consensual disclosure of a private image.

The relationship between Pharis and the men whose nudes she is said to have shared has not been disclosed.

Investigators are also yet to comment on a motive for the alleged crimes.

Risk warning over toothpaste on cock erection claims

MEDICS have warned: DON'T rub toothpaste into your dick!

The warning comes after YouTube videos and blogs were posted, claiming that rubbing toothpaste on the cock can help sustain an erection for 30 minutes.

Urologist Dr Paul Thur said putting toothpaste on genitalia is risky.

"If it did nothing, fine, there'd be no risk in trying it," he said.

"But toothpaste has chemicals, bleach and oils, such as peppermint oil, that are caustic and can burn sensitive skin.

"If you have a break in your skin, you may even get cellulitis, a potentially serious bacterial infection.

"In some instances, this can cause disfigurement, such as penile scarring.

"All of this can lead to loss of sensation."

TOURETTE'S PERV PULLED HIS PUD IN FRONT WINDOW

SHOCKING SEX ACT: Charlton was seen by two women

By GRACE HOOPER
news@sundaysport.co.uk

A PERVERT with Tourette's twice stood naked at his flat window and performed a sex act in full view of the public.

Alan Charlton's lurid behaviour was spotted by horrified women on both occasions and the cops were called in.

A court heard that the 45-year-old, who has a previous conviction for indecent exposure, was arrested but at first claimed he hadn't been doing anything untoward at the window of his home in Hexham, Northumberland.

However, he changed his tune when arrested for the second time.

Naked

He pleaded guilty to two counts of outraging public decency at North Tyneside Magistrates' Court.

Prosecutor Grace Taylor said the first victim was inside a property overlooking Charlton's block of flats.

She saw him standing naked at his window clearly performing a sex act, the court heard.

Miss Taylor said: "The male had blinds at the window. But they were in an open position, so he could clearly be seen and the lights were on, illuminating him further.

"She continued to observe him and saw he was [performing a sex act]."

The court heard that the victim couldn't see Charlton's genitals because of the level of his window sill but was so "horrified" she rang her father, who arrived at the scene soon after.

He too saw Charlton and contacted police. Charlton was arrested but denied acting luridly and was bailed.

Charlton was at it again 18 days later.

The second victim was walking to work when she saw Charlton naked at his window.

Miss Taylor said: "She took her phone out and began to record the defendant, who was [performing a sex act].

"The level of the window meant she couldn't see his genitals but had no doubt what he was doing.

"She was disgusted and shocked and it caused her to call the police."

The case was adjourned for the preparation of a pre-sentence report.

In a statement, one of the victims said: "Something needs to be done to stop this happening again before a child is forced to witness it."

Bike route objectors' drugs & booze fears

RESIDENTS worried about naked thrill seekers have lodged objections to a planned cycleway.

Among the concerns raised about the four-mile Dean Forest Greenway Project in Gloucestershire are that it will result in drug-taking, nudity and "incursions into woodland by thrill seekers".

The President of Royal Dean Forest Cycling Club said he believes the planned route – along an old railway track between Parkend and Lydney – would save lives by taking cyclists and pedestrians off a busy road.

But one local said of a similar scheme: "This caused anti-social behaviour consisting of screaming kids and adults, drug taking, drunken and drugged teenage parties, semi-naked sunbathers and even naked photography."

DUBAI promotes itself as the ideal pandemic vacation spot.

And that appears to be ALL they do in the United Arab Emirates city, which tends to be a bit more liberal than its neighbours on the what-women-are-allowed-to-wear-in-public front.

But now it seems that the glitter has come off Dubai and those lovely snaps that have kept our ends up during the winter may slow to a trickle.

I'D GIVE MY LEFT BOLLOCK FOR AN ORGY!

HORNY: Sex house mates

Sex people are fed up with no-nookie rules

AFTER 10 months of social distancing, residents of a city's communal "sex houses" are frustrated, to say the least.

"I'd give my left testicle to go to an orgy," said Kenneth Play, co-founder of Hacienda Villa, based in Brooklyn, New York.

By SUZIE SHELDON
news@sundaysport.co.uk

Play is one of more than 30 residents, aged 20-45, who live in three sex houses operated by the Hacienda sex club, which boasts more than 700 members.

Before the pandemic, the roommates – who have their own bedroom but share a kitchen, lounge and bathrooms – hosted spunk-splattered sex parties once or twice a month.

Nude

Hundreds of Hacienda members would flirt, soak nude in the backyard hot tub or descend to the mood-lit basement to get it on.

In 2019, the club hosted 19 orgies and 45 other events. In 2020, there were only five before the pandemic hit.

"Sexual isolation was difficult to grapple with," said Violet, a resident and party planner.

"We couldn't meet new people or feel desired the same, so there was definitely an upsurge in my self-pleasure routine."

Play moaned: "In 2019 I had about 100 lovers. In 2020 it's more like five."

Guests are still allowed, for sex or other fun activities, but roommates are expected to be respectful of each other's safety.

"If you have a group of people into casual sex, it's especially hard to lock down," Play said.

Others have gone upstate for fun. Armed with negative COVID tests, 24 revellers rented an Airbnb in the Catskill Mountains to fool around en masse.

"The last year has been so isolating and I've missed the human touch," one said.

"Thankfully, that weekend I got touched, a lot."

MIDWEEK Sport ALWAYS HOME OF TOPLESS BABES

dani MAYE

BUM'S the word for dishy Dani Maye – as she absolutely loves having her shapely ARSE spanked while she is being taken from behind!

The glamour model said doggy-style is her favourite sex position, as it gives her lucky fella a glorious view of her shapely posterior.

And the 24-year-old, from Kingston, in Surrey, is even partial to a little slap and tickle between the sheets.

Cheeky Dani, who boasts 32E curves, said: "I love doing it doggy-style.

Submissive

"I really like to be submissive and have no control.

"I love the feeling of being completely dominated – it's such a real turn-on, especially when he's being a little bit rough.

"I have to admit I like a bit of spanking and having my hair lightly pulled, so doggy-style is just perfect for that."

LESBIAN MISS LICKED OUT TEEN'S MINGE

USED STRAP ON DILDO: Andrews *(right)* and *(above)* after her arrest

By BRAD CHADWICK
news@sundaysport.co.uk

A LESBIAN teacher has been jailed for four months after she admitted repeatedly licking out a 17-year-old female student.

Alisa Andrews, 52, pleaded guilty to sexual assault and was sent to prison, followed by 10 years of probation.

Until the autumn of 2019, Andrews had taught biology as part of a home school programme at Rogers Christian Church in Arkansas.

In September of that year, a pastor at the church contacted cops to report that a parent had told him Andrews was in an inappropriate relationship with a student who attended the home school programme.

Police interviewed the 17-year-old girl, who confirmed she and Andrews were having a sexual relationship.

Andrews was the victim's biology teacher the term before they became intimate but was no longer her teacher when the sexual relationship started.

Suicidal

The teen was also part of a local youth theatre company that was headed by Andrews.

The victim said Andrews had performed sex acts with her on about 20 occasions over several months.

The girl revealed that Andrews had licked her out and used a strap on dildo to penetrate her vagina.

The girl said she had made repeated attempts to end the relationship because she knew it was wrong, but Andrews threatened to kill herself.

Andrews was arrested in October 2019 on a charge of first-degree sexual assault.

At the sentencing hearing, a prosecutor read a victim impact statement from the teenage girl, who described her struggles with mental health problems and suicidal thoughts requiring therapy as a result of Andrews' actions.

"I know now that none of this is my fault, and I want you to know that you have no power over me any more," the girl wrote.

"I'm no longer the broken girl I was. You don't know anything about the person I am today, and you never will. I hope you know I don't forgive you, and I hope I never do."

Andrews was barred from having any unsupervised contact with minors, except her own children.

After completing her jail term, the former teacher must register as a sex offender.

Satan fans vow hell for arsonist

ANGRY Satanists are mad as hell with firebugs who burned down their historic meeting house.

Built in 1900, the Poughkeepsie, New York, home served as a gathering place for local members of the Church of Satan until it was set ablaze by an unidentified arsonist.

A member, who goes by the name Isis Vermouth, foamed: "Now there's going to be hell to pay.

"Whoever did this is going to be hexed by all of us."

The Addams Family style hub for members – which had been decorated with devil sculptures – showcased the beliefs of former owner, Joe Mendillo, a Satan adherent who died last year.

SQUIRREL'S GONE NUTS WITH KNIFE

A TOOLED-up squirrel was caught holding a KNIFE in a woman's backyard.

Video posted on Twitter showed the rodent sitting on a fence while clutching a blade.

Andrea Diamond said: "He was just gnawing on it, happily. Maybe he was sharpening his teeth on it, I haven't seen that before."

Andrea said the furry fiend had got a hold of a paring knife she had left outside, near a tent set up for social-distancing purposes.

The Toronto resident added: "We have a lot of squirrels in our backyard. I noticed he had something blue in his mouth and I did a double-take and then I realised it was a knife. I started filming."

Squirrels apparently also got into some hand sanitiser she had left out.

Andrea said: "They've eaten through. Maybe trying to be COVID conscientious, too?"

RIOTS, CIVIL UNREST, ARMED NUTJOBS, AN ATTEMPTED COUP & AN INSANE PRESIDENT WHO LEAVES OFFICE TODAY – BUT THESE STUNNAS SHOW AMERICA'S NOT ALL BAD...

BORN IN THE US-WAHEY!

MIDWEEK Sport 5-PAGE SPECIAL

By GRACE HOOPER news@sundaysport.co.uk

IT'S a big day today.

Sleepy Joe Biden is sworn in as 46th President of the United States under quite extraordinary circumstances.

Cops and troops will be out in force to try to prevent supporters of defeated Donald Trump repeating their antics of earlier this month when they stormed the US Capitol building.

It comes after a year of race riots, plague and an election that went down to the wire – despite Joe being up against a proven madman.

Stunning

It's easy to write off the Land of the Free as a busted flush and to assume that America's little experiment of life outside the glorious British Empire is at an end.

But there's hope for America yet – mainly because American women are absolutely stunning.

On this historic day, let's look at something that is still GREAT about the Great Republic – its women's busters!

THE WANNABE RIPPER

VICTIMS: Ellen Frith *(above)* and Zoe Pennick *(below)*

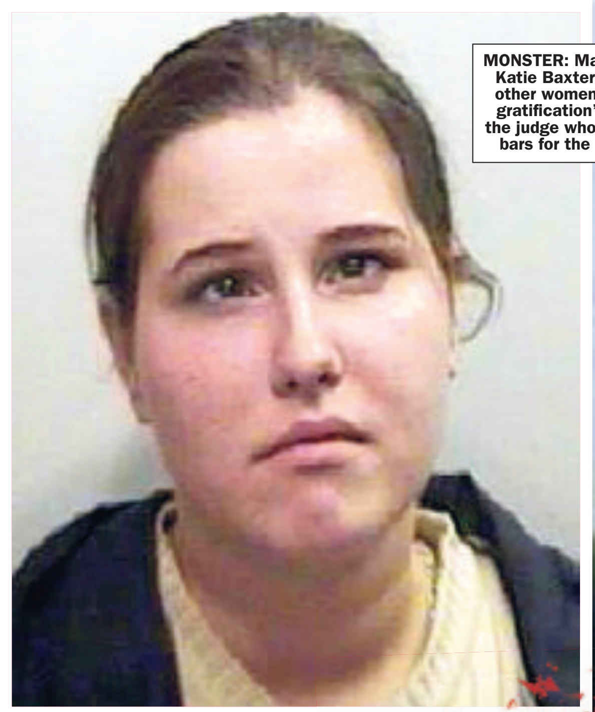
MARK Martin was an evil presence on the streets of Nottingham. Eager to prove himself top dog of the city's homeless, he would bully, torment, rob and harass.

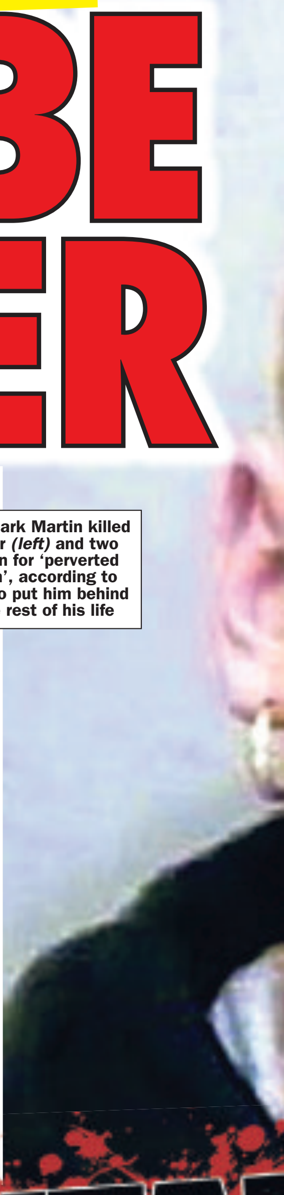
He wanted his fellow rough sleepers to know he was the big man, king of the street dwellers.

But his victims had no idea how deep his capacity for violence ran until he brutally murdered three women.

And he revelled in his crimes, giving himself the nickname 'The Sneinton Strangler' and boasting that he was the city's first serial killer.

Thankfully, his big mouth also led to his conviction...





MONSTER: Mark Martin killed Katie Baxter *(left)* and two other women for 'perverted gratification', according to the judge who put him behind bars for the rest of his life

By KOURTNEY KENNEDY
news@sundaysport.co.uk

THE police sniffer dog had a scent, its tail wagging as it whined and whimpered, urging its handler to its discovery.

It had found the decomposing body of teenager Katie Baxter, who had been missing for weeks.

A team of cops were searching a derelict warehouse in Nottingham, a regular haunt of the city's homeless, a place to take shelter at night.

For 18-year-old Katie, it was her final resting place.

She had been beaten and strangled – murdered in the knowledge that few would bother looking for a homeless girl.

Katie had last been seen on December 29, 2004, when she left her sister Charlene's house and headed off into the night.

She had been living on the streets for a year but, ashamed of her predicament, kept it secret from her family.

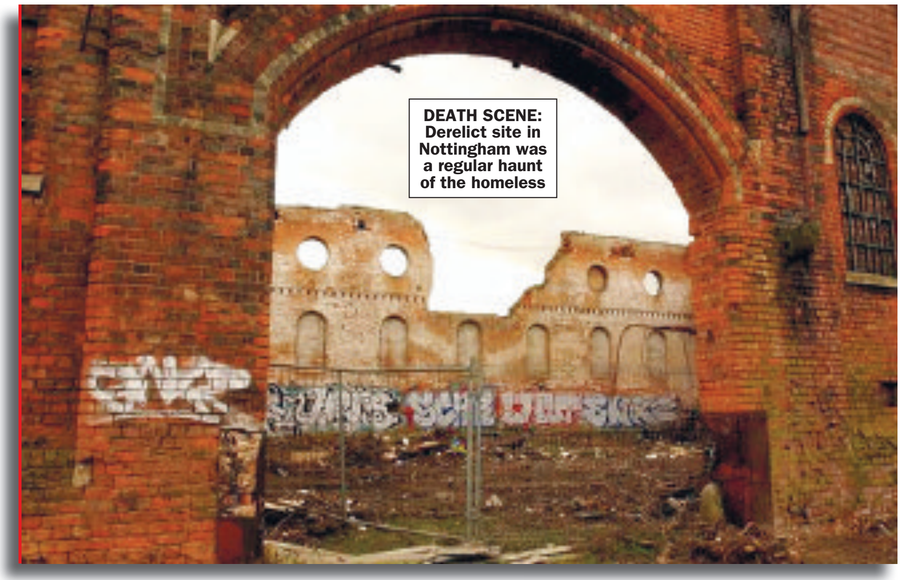
In spite of her hardship, she never missed joining her parents and sister to go and watch her local ice hockey team, the Nottingham Panthers.

It was a family tradition, the Baxter family night out.

So when she failed to show for the fifth time, they reported Katie missing.

On February 11, 2005, her body was found buried under rubble.

But there was more tragedy hidden in the rundown building off Great Northern Close.



DEATH SCENE: Derelict site in Nottingham was a regular haunt of the homeless

Strangled

Five days after they found Katie's body, forensic teams were painstakingly searching for evidence.

The tiniest thing could be used to catch her killer – a piece of hair, a scrap of clothing, a footprint, it could be anything.

In fact, they found another body – that of Zoe Pennick, a 26-year-old homeless woman.

She had also been beaten and strangled.

Zoe had been missing since New Year's Eve. She was last seen by her father when she had visited his house in Derby to pick up some clothes.

Since then she'd lived in a bedsit but had been forced onto the streets when she lost her job.

Police didn't have far to look to get their man.

He was already in custody, charged with murdering another woman, Ellen Frith, a 25-year-old mum-of-two.

She also had been beaten and strangled.

Her body had been found in the charred remains of a squat she had shared with her killer, Mark Martin, in Marple Square, Nottingham.

The pair had argued over drugs money and, along with associates John Ashley and Dean Carr, Martin killed her.

He hadn't been hard to find. Ever since his wife had kicked him out of his home in Ilkeston,

BRITA
SICKE

IN FRIDAY'S

KILLERS: Ashley *(above)* and Carr *(below)* were also jailed

Derbyshire, he had been a menace to his fellow street sleepers.

Known as 'Reds' – thanks to a distinctive birthmark on his face – he bullied, harassed and stole from Nottingham's homeless.

Despite being one of them, he liked to see himself as better, a class above. To prove it, he would intimidate and attack them.

When Ellen's body was found, virtually every homeless person in the city identified 'Reds'.

One investigating detective said: "He had boasted to people that he was a violent man capable of killing.

"There was barely a homeless person in the city who hadn't had a bad experience of him. Everyone we spoke to pointed the finger at him."

It was Martin's bragging that ended up getting him convicted of all three crimes.

Because, eager to make a name for himself while in prison on remand for Ellen's murder, he boasted of his other killings.

Before the two girls' bodies were even found in the warehouse he told a cellmate he had slain others, describing the murders in great detail.

This cellmate went on to become the star witness in Martin's trial at Nottingham Crown Court.

But he was so scared of the psychopath's capacity for violence that he only agreed to testify if he was granted complete anonymity.

Martin had told the man, 'I'm going to be Nottingham's first serial killer. If you've killed one, you might as well have killed 21'.

The witness told the court how his cellmate had re-lived his crimes in their cell.

"He said he picked Katie up because she fancied him. He took her to the warehouse and went into his tent, then he just snapped and strangled her.

"He dragged her out of the tent and buried her with debris."

Punching

Days later, Martin persuaded Zoe to go back to his tent to get 2,000 cigarettes he wanted her to sell for him.

He strangled her.

The witness told the court: "He said it was hard because she didn't want to die.

"He was punching her, kicking her. In the end, he stood on her throat."

Also in the dock with Martin were John Ashley, accused of killing the three women with Martin, and Dean Carr, who was accused of helping to kill Ellen.

Ashley turned on Martin in the stand, accusing him of committing the murder alone, saying he was so scared of him he did nothing to stop him.

Ashley told the jury: "He was looking at her in an evil way."

He says he left while Martin took Ellen's life.

"At least I couldn't see it, I heard some weird noises. I think he was pushing down on her chest and it was making a horrible noise."

After a week of deliberation, the jury delivered its verdict

Martin was convicted of all three murders.

Telling Martin he would never be freed, Mr Justice Butterfield said: "These murders were committed by you because you positively enjoyed killing.

"You took the totally innocent lives of these women for your own perverted gratification.

"The facts of the offences are so horrific, and the seriousness of your offending is so exceptionally high, you are to be kept in prison for the rest of your life."

Ashley was convicted of killing Ellen and Katie and got 25 years.

Carr was found guilty of Ellen's murder and must serve a minimum of 14 years.

Monster wants her web searches hidden from jury

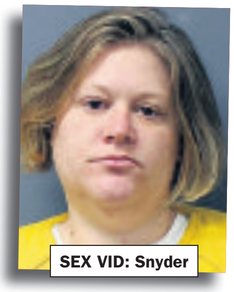
By COLIN HURST news@sundaysport.co.uk

A MOTHER accused of having sex with her pet pit bull and hanging her two young children is fighting to have her 'lewd' internet search history hidden from jurors.

Lawyers for Lisa Snyder, 38, admit the alleged murderer's search history could be 'regarded by society as lewd, lascivious and/or unduly offensive'.

But they argue that admitting it as evidence would unfairly prejudice jurors trying her case.

Prosecutors say the browsing history – which included searches related to hanging and a crime documentary called 'I Almost Got Away With It' – will help prove allegations against Snyder.



SEX VID: Snyder

Bullying

Snyder is accused of hanging son Conner, eight, and daughter Brinley, four, at her Albany Township home in Pennsylvania.

She claimed Conner had hanged himself to escape bullying at school after killing Brinley because he did not want to die alone.

During a search of Snyder's mobile phone, investigators are said to have uncovered a video of her having sex with a black and white pit bull, which she allegedly sent to a Facebook friend.

Snyder's lawyers say her mental illness gave her a 'desire to protect her children from feelings of abandonment and/or to alleviate the painful feelings and situations they were experiencing'.

A judge has yet to rule on the bid to hide her net searches from the jury.

#HOT 'N' HORNY

PERT-BOOBED beauty Chloe Toy has signed up to the streaming telly service Britbox, so she can watch all the old episodes of *Doctor Who*.

Chloe, 25, from Harlow, Essex, got into watching the sci-fi show after falling in love with Matt Smith when he played The Doctor.

Deeper

And that prompted the 32C babe to delve deeper into the show's history.

She said: "I started watching the classic *Doctor Who* from the 1960s and 70s and love the second Doctor – Patrick Troughton is by far my favourite.

"I like Tom Baker, too, and Jon Pertwee, but I've only seen a few of their episodes.

"Now on Britbox I'll be able to watch them all in the order they were first broadcast.

"I can't wait!"

WHAT'S ANNOYING HIM THIS WEEK?

SOMEONE had a pop at Ulrika Jonsson online at the weekend.

She was lamenting the passing of her pet dog and an Insta keyboard warrior told her to "stop whinging".

The one-time weathergirl responded by calling him a c*.**

In pipe. Smoked. Well done Ulrikakaaaa!

Television & booze have helped us all through lockdown

WHAT has the past year taught you?

For me, it's been the new knowledge that no matter how much you drink, you can always drink a little bit more.

It helps tremendously that as every day is like the last one, there is no longer any such hope of what was once called a "school night".

None of that "no, not until the weekend" nonsense in our house. It's *always* the weekend here.

Well, I say "the weekend".

That's not entirely true, as that would involve actually knowing what day of the week it was in the first case – and we've barely got a clue.

If this pandemic and subsequent lockdown had happened a decade ago, I would have had at least a faint grasp of the current date due to whatever time the soaps were on.

Crying

But in a world of Sky and Netflix and Amazon Prime and now even Disney+, regular telly barely gets a look in.

And if on the off chance it does – the "normal" channels do still occasionally put something half-decent on – the instant the adverts appear we're all fighting over the remotes to change channel.

I mean it – I'd sooner watch an obscure Hari Krishna religious show for five minutes up there on Channel 893 or whatever than suffer singing fish, dancing health workers, crying children and supermarkets pretending to be our best mates.

Yes, I could have spent more time learning Mandarin, or attempting to play a musical instrument, or write that bestseller that will almost certainly never, ever, get written.

I could also have ordered a rowing machine, or gone for a run, or merely done a few sit-ups every day in the lounge.

But like most people, I didn't do anything at all. Not a jot.

Instead, I relied on the two things guaranteed to keep me entertained, whatever the weather or virus or The People In Clipboards wanted to throw at us.

Yes, the unbeatable miracles of TV and booze have been godsends right throughout this madness.

Simply having a full bottle of red standing solemnly to attention next to the voice remote with access to every possible channel known to man gives one the feeling of being Clint Eastwood in his Dirty Harry mode.

Clint may have his Smith & Wesson .44 Magnum, arguably the finest handgun in the world, apparently.

But I have a goblet of fermented grape juice and a Sky flicker with more punch than Anthony Joshua.

So let's not get entirely disillusioned with life locked down behind the front door.

Staying in has in some ways become the best get-out-of-jail card ever.

Cheers!

Lawyer claims ex spied on him and killed his pussy

A LAWYER claims his Fatal Attraction-style ex killed his CAT!

Brad Kauffman claims his obsessed ex-lover spent weeks spying on him, hacking his devices and, in a final twisted act, killed his pet, Miyagi, on New Year's Day 2020.

Kauffman, 50, alleges in Manhattan Supreme Court papers that estate agent Leisa Aras, 46, used spyware to monitor his phone calls, texts and social media, and even posed as other people on dating sites to get to him.

"I killed your cat and you better watch out," Aras allegedly told Kauffman, according to a harassment complaint the lawyer filed against her with the NYPD last year.

Aras flaty denied being a cat-killer.

"I certainly didn't poison his cat. I loved that cat, I picked that cat out with him," the single mum-of-two said.

"Everything he's saying is untrue.

"Quite frankly. he's not worth stalking."

Thief bollocks mum for leaving kid in car

A CARJACKER who realised there was a young kid in the vehicle drove back to berate the mum about her parenting.

The bizarre episode unfolded outside an Oregon grocery store in the Portland suburb of Beaverton after the mum left her four-year-old in a booster seat inside the running car.

She'd left the car unlocked when she ran in to buy milk and meat.

The thief hopped in the 2013 Honda Pilot and took off before driving back to the store.

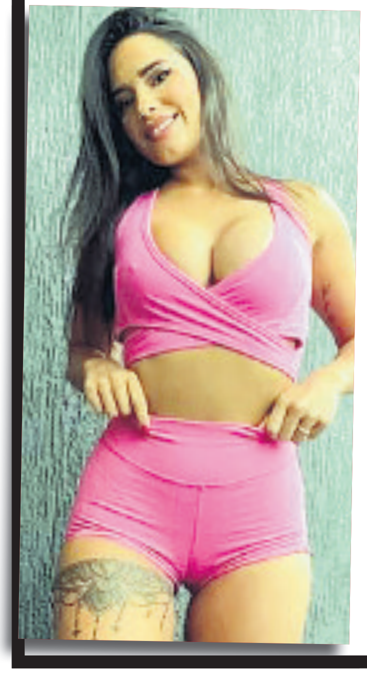
"He actually lectured the mother for leaving the child in the car and threatened to call the police on her," said Officer Matt Henderson.

The mum grabbed her kid on the thief's orders before he again drove off with her car.

QUARANTINE MADE ME FLASH MY GASH!

Babe says X-rated site prevents depression

ROOM SERVICE: OnlyFans a money maker for Leila



By GRACE HOOPER
news@sundaysport.co.uk

AN Instagram star says she created a NUDE OnlyFans account in a bid to make money and cure her of depression while stuck in hotel quarantine.

Leila Burate, 27, will call the Westin Hotel in Brisbane, Australia, home for the next two weeks after Queensland Health forced 127 people to quarantine again as it moved to contain the highly contagious UK strain of the coronavirus.

Brazil-born Leila had just completed a two-week stint at the Hotel Grand Chancellor, only to be told she would be put in lockdown for another 14 days.

Racy

She said the decision left her in 'disbelief' and forced her to join the adult site to pass the time, earn some extra cash and stop herself feeling depressed.

"I created an OnlyFans page on January 3, early in my first time in quarantine," she said.

"My partner Fabian is supportive of me doing it.

"I haven't been able to work in Australia since May due to COVID, I have to do something."

Leila confirmed she is posing nude for subscribers on OnlyFans as well as in racy lingerie and bikinis.

She is in the 'top 2.6 per cent' on the website, with fans increasing by the hour.

She was moved to the Westin this week after six guests at the Hotel Grand Chancellor contracted the B.1.1.7 strain of Covid-19.

"I was supposed to check out but I was given a call two hours before I was to leave to tell me I was to be moved to the Westin for another 14 days' quarantine," Leila said.

"The next thing I know I'm being told I must get into an ambulance and taken to another hotel in full PPE gear, like I was infectious.

"We were treated like we were all sick but I had done two tests in Brazil, both negative, and two tests since I returned.

"I can't see why they didn't let me leave to self-isolate at home."

Leila admitted she will 'struggle' to tan, as her room at the Westin has no balcony.

She added: "Good luck to me, I have Netflix, zoom workouts and OnlyFans to pass the time."

DRUG LORD HIPPOS ARE GIANT PROBLEM

PABLO Escobar's hippos are taking over the marshlands of Colombia – and need to face the same fate as their late owner before they become impossible to control, scientists have warned.

The so-called "cocaine hippos" were illegally imported to the country by the notorious drug lord, who was shot dead by authorities in 1993.

But the rapidly-breeding beasts have now grown to become the largest invasive species on the planet.

And they could reach dangerous numbers in the next two decades.

"Nobody likes the idea of shooting a hippo, but we have to accept no other strategy is going to work," ecologist Nataly Castelblanco-Martínez said.

When Escobar *(right)* was killed, authorities took control of his 7,000-acre estate, including a personal zoo.

While most of the animals found homes at zoos elsewhere, four of the hippos escaped.

With no real predators, there are now between 80 to 100 descendants of Escobar's former pets terrorising the country's lakes and rivers.

Scientists have projected that the hippo population could surge to 1,500 by 2024.

The hippos pose a threat to the natural wildlife because their urine and faeces are toxic, potentially sickening other species and even humans.

THE WORLD FAMOUS AGONY Page

Dear Kelly,

I'M really into my cycling and ride around 10 miles into work and back every day.

As well as helping me lose about three stone, all that pumping on the saddle seems to have made my member grow quite substantially.

I couldn't resist "accidentally" walking into the office in my Lycra cycling shorts, just to see how the ladies would react to my bulge.

Most of them pretended to ignore me, but a couple of them – saucy mares – made comments about "packed lunch" and stuff like that.

In fact, one of them went so far as to give me a bit of a "tweak" by the photocopier, which led to us finding ourselves in the ladies loo.

She grabbed me with both hands, used her lips on me and then guided me in as we had a "quickie".

Trouble is, the other cheeky one got the hump that she didn't get to grips with my sizeable organ and grassed us up. Now I face the sack.

What shall I do?

MK, Norfolk

Kelly says…

GET on yer bike and look for a new job.

Dear Kelly,

I'M a 24-year-old joiner and I nearly took the tip of my finger off in a taxi door the other night while I was pissed.

It was gushing with blood, so I went straight off to hospital and had to pretend I wasn't in absolute agony when I was seen by a gorgeous female nurse.

But as she put ointment on my wound it really hurt and I winced. To my surprise she said she'd make the pain go away – and started to lick my fingers!

Obviously, I got a hard-on, which I realised she'd noticed when she discreetly pulled the curtains shut around us and began to rub the front of my jeans.

I soon forgot about my injury as she pulled out my rock-hard cock and knelt in front of me. She gave me an expert blowjob and even swallowed the lot.

Should I injure another digit, so I can go and see her again?

FK, Preston

Kelly says…

I RECKON she'd give you the finger if you did!

Swap sex backfired as my girl swapped me for a pal

Dear Kelly,

MY girlfriend walked out on me a few weeks ago and it left me devastated – we'd been together for five years.

She told me that she'd been seeing somebody else and, if that wasn't bad enough, she said the other guy is my mate.

It started when I introduced her to swapping partners. Our sex life was good, but I need a bit of variety and I was bored with just shagging her four or five times a week.

I found a contact site on the net and replied to one of the ads.

Once I'd sorted out a nice couple to have some adult fun with, I told my girlfriend.

At first she went berserk and called me all kinds of names. But I persisted and she agreed to give it a go.

The pair we met up with were a good-looking blonde and a tall, dark-haired man.

As the night wore on, my girl got into the mood by stroking the guy's knob while his bird sucked on mine.

The women then had lesbo sex as we watched and wanked.

Then my bird rolled over and grabbed hold of the fella and pulled him on top.

He gave her a good seeing to as I screwed his wife.

But when my girlfriend left me, she said it was my fault as she'd never have thought about shagging someone else but for our swapping session.

What should I do?

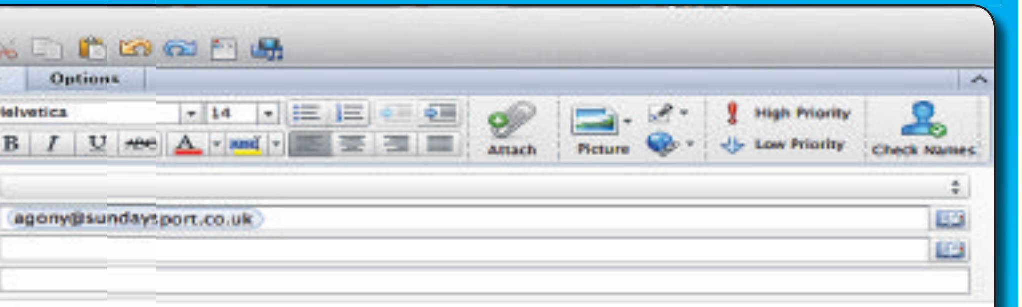
PW, Northumberland

Kelly says…

FIND another girlfriend and don't swap again in future… you IDIOT!

AGONY IS BROUGHT TO YOU IN ASSOCIATION

WELCOME to the World famous Sport Agony page! No other newspaper's agony aunts can offer the level of advice – or experience – than our own Agony Angels! This week KELLY MCGREGOR has been reading through your letters. And here's her advice for you…



To: agony@sundaysport.co.uk

Selfish mates use me as sex object

Dear Kelly,

I'M a 21-year-old single girl and I'm lucky enough to have a wide circle of friends.

Even though most of them are fellas, we go out clubbing every weekend and have a great time.

There are 10 of us – three girls and seven lads – and I have to admit we often get pretty blitzed and end up doing some wild things together.

But just lately, I feel that some of my male mates are simply using me for sex.

Pounding

The thing is, I've shagged all of them over the years but never got romantically involved with any of them.

However, over the last couple of months they've stopped asking me out with them at weekends.

Instead, they've been calling at my house in midweek and we end up having sex.

One night a pal turned up and asked point-blank for a f**k.

Rather than disappoint him, I obligingly dropped my knickers and bent over the sofa.

He wasted no time ramming his seven-incher into me from behind and began pounding away.

It was pretty good and I orgasmed twice before he climaxed. But once he'd finished, he left.

The next night another of the fellas called and we ended up having oral with each other.

But again, he shot off to the pub as soon as he'd come.

The following week I was feeling really fed up because I hadn't been out when two of the guys called and we all ended up naked on my bed.

I sucked one of them off while his chum gave me a good licking and then they swapped places.

The pair of them then proceeded to shag me like there was no tomorrow.

It went on for ages, each of them taking turns to fill my pussy.

I had orgasm after orgasm until I had to beg them to stop because I couldn't take it any more.

Even then they weren't finished. They wanked themselves furiously over the top of me before squirting their spunk all over my face.

I thought I was at least going to get some reward for my efforts when one bloke suggested going to the pub for a drink.

But when I said I would love to, they said it was a "lads' night" and left.

I feel really pissed off about the way they are treating me.

What shall I do?

BD, Somerset

Kelly says…

YOU'RE spot on when you say they are using you. Next time they call, tell them to fk off!**

My cheating shame with busty blonde

Dear Kelly,

I WAS invited to a 25th wedding anniversary party. My missus was away visiting a relative, so I went alone to a hotel where I'd booked in for the night.

At the anniversary dinner, I was seated next to a blonde who was about 45 with a great figure – shown off to great effect by her low-cut party dress.

I spent most of the night gazing down her cleavage and, when she noticed, I felt her hand slip on to my thigh and start rubbing.

She could tell I was "up" for it, and for the first time in 24 years of marriage I cheated on my wife.

In my room she performed an erotic strip to reveal a tanned and well-toned body.

Lapped

She lay back on the bed and spread her legs, revealing a moist pussy.

Without a thought for my wife, I went down on her luscious fanny and lapped at it until she was panting for a poke.

I couldn't restrain myself as I shafted her long and hard.

But in the cold light of day I was shocked at the way I behaved and I'm now terrified that word might get back to my missus.

What can I do?

NC, Dorset

Kelly says…

IF it was a one-off, just concentrate on reaching your own 25th anniversary

---

Dear Kelly,

I'M a bubbly, 18-year-old blonde and three months ago I started a job with an insurance company.

I thought I'd hit the jackpot when my head of department – a handsome bloke in his early 30s – asked me out for a drink.

We got on really well and I could tell he was bursting to shag me, but he said he was married and couldn't take me home to his place.

I was so horny that I suggested we went to the office.

We'd worked ourselves up into a sexual frenzy and when he got me in his office he didn't mess around.

He bent me over the desk, slid down my knickers from behind and roughly inserted his todger.

I felt like I was being treated like a whore, but I wasn't going to complain as I was thinking of my promotion prospects.

How wrong I was to build up my hopes!

The next day he passed me in the corridor without a second glance and he hasn't spoken to me since.

What should I do?

HK, Weymouth

Kelly says…

WORK hard instead.

'I've got a lead and collar for any man who's really up for it!'

I HAVE a leather lead and collar I keep in a bedside drawer that I've been saving to use on the right guy.

I've always been fairly dominant in bed, but I've yet to meet a man who wants to really explore his submissive side and try a little bondage.

In my ideal fantasy, I've connected with a bloke who helps unleash the naughty dominatrix inside me.

Obedient

I get out my leash and put it on him, telling him that he's a good boy.

Then I order him to go down on me right now, and he's very obedient and tells me 'Yes, Mistress'.

I firmly guide him by pulling him by the leash down to my pussy and he licks me so good that I'm left shaking from the waves of pleasure.

Then afterwards, I tease him by wanking him off very slowly, then tell he's welcome to come over my chest, but only if he licks it off!

#HOT 'N' HORNY

SAUCY Stella Jones knows how to keep her fella satisfied in bed – she has a DEGREE in sex psychology!

The 34DD-24-34 stunna, from Loughborough, Leics, said: "I have always had a high sex drive ever since I was at school.

"So it seemed only natural that when it came to a career I'd do something connected with my favourite hobby!

Techniques

"You learn about male and female attitudes to sex and what turns a man on.

"I already knew most of it, but some things were new even to me.

"I tried a few of the techniques on my fella and the results were amazing – we didn't get much sleep that night!

"Mostly it's about creating the right vibe to explore each other – and I get to take a lot of work home with me!"

IT'S finally time to say goodbye to the creepy Crawleys of Downton Abbey and hello to the horny hotties of buxom Bottomley Manor!

For all you red-blooded fellas who love your porn but are bored to tears by dull *Downton Abbey* this is your lucky day.

Released last week, the UK's most highly anticipated adult movie is available exclusively through the *Sport's* adult partner *Private Shops* and, for a limited time they're offering readers another **£5 OFF** the already low, low price.

Down On Abby is a big budget, full length adult masterpiece starring porn legend Ben Dover and a cast of the hottest adult stars around. It will transport you to Bottomley Manor, home to the Lord Grabhem (played by Ben Dover), his wife (and 2014 AVN nominee) Jasmine Jae, and their two young promiscuous step-daughters, Abby and Fanny.

The Grabhems have invited the Stiffies to dinner and their staff, led by butler Smallc*** and footman Master Bates, hurriedly prepare to receive their honoured guests.

But during preparations some members of staff have their own ideas of how to make the night go with a bang! As dinner approaches it seems everyone's got more than fancy nosh on their minds. Mind you, there is plenty of noshing as well as lots of other filth that will even cause a crease in Carson's keks.

We see plenty of R18 DVDs at the Sport but this one is really something special and one you MUST not miss!

This future classic stars Ava Dalush as Missy, Cathy Heaven as Lucy, Emma Leigh as Betty, Jasmine Jae as Lady Wanda Grabhem, Jasmine James as Fanny Grabhem, Jess West as Lady Stiffie, Lexi Lowe as Abby Grabhem, Ben Dover as Lord Will Grabhem, Big Bad Dave as Smithers and Clarke Kent as Master Bates.

SHOW ME THE HONEY!

WELCOME to interactive *Midweek Sport* – where YOU get to choose the stunnas appearing on these pages!

That's right fellas, we publish sexy snaps of the babes you most want to see – TOPLESS or NAKED.

Every Wednesday, *Show Me The Honey* features the cute curves of the glamour girls you're clamouring for. This service – UNIQUE to British newspapers – is totally FREE!

All you have to do is drop us an email to *request@sundaysport.co.uk* telling us why you want to see your favourite girl, then sit back and let us do the rest.

SAMANTHA JESSUP

LOCKSMITH Timothy Spellar reckons it's shape rather than size when it comes to boobs – which is why Samantha Jessup is his all-time favourite glamour girl.

Timothy, 67, from Newcastle, penned a letter to the Sport asking for a pic of glamour legend Samantha, now aged 50.

He said: "I do love boobs. I don't know any man who'd turn down a woman with a good pair of boobs.

"Samantha is a stunning girl but I'm not going to lie, it's definitely her 36C norks which catch my eye. I could stare at them for days."

SHARON LEE

WANNABE author Fredrick Grant spends his days penning short stories but took time out to email in asking for a sexy snap of Sharon Lee.

Fredrick, 65, from Richmond, London, loves 25-year-old Sharon's long hair but appreciates her womanly curves much more.

He takes regular breaks to read the *Sport* and thinks of Sharon, from Wembley, north London, when he needs inspiration for a saucy tale.

Fredrick said: "Could I please have a photo of Sharon with her 32Ds on show, she's a real gem."

LARISSA SUMMERS

BUILDER Tony Lochlan emailed in wanting a photo of glamour veran Larissa to show all his work pals just how much of a babe she is.

Tony, 54, from Carlisle, said none of his colleagues understand his obsession with 38-year-old Larissa, from Bristol.

And he wants to show them what they're missing by taking a saucy photo of her onto site.

He said: "They'll not stop ribbing me about fancying her until I show them a good photo of her.

"The sexiest photo you've got please, ideally with her 30D boobs looking sensational."

Haven't seen your favourite model for a while? Drop us a note and we'll put her in the paper! Email request@sundaysport.co.uk

#CAM GIRL OF THE WEEK

By GILLIAN TAYLOR news@sundaysport.co.uk

BUSTY babe Beth Bennett loves being watched – and you can tune in to see all her sexy antics on Babestation.

Beth, 27, from Islington, north London, says she enjoys showing off and fantasises about shagging in front of her neighbours.

The 32D stunna said: “I’m quite experimental and up for anything.

“I’m definitely a bit of an exhibitionist and get a thrill when I know we could get caught.

“My fantasy would be having kinky sex with an audience.

Naughty

“My flat has this big balcony, with glass sides and I love the thought of getting naughty on there in the middle of the day in full view of all the neighbours!

“The thought of being watched like that is such a massive turn-on – I’ve always been up for a risky outdoor shagging!”

To see blonde bombshell Beth getting hot and horny on screen, log on to Babestation this week where Beth and a whole host of girls will be stripping off just for you.

Go to *www.babestationcams.com* to see more.

HE'S BACK: Antonio

Hammers can take Mic out of rivals

WEST Ham need Michail Antonio to stay fit says team-mate Pablo Fornals.

The Hammers frontman has been having trouble with his hamstrings this season meaning he has had to miss some crucial games.

But his value to David Moyes' men is clear for all to see. The striker scored a crucial goal in the win against Burnley as he made his first start since November.

Now the Hammers have made it three victories on the spin to break into the top ten.

Fornals hopes Antonio can stay fit and keep the Londoners in the hunt for a Europa League spot. Especially now that Sebastian Haller has left the club.

He said: "I think he knows he is the best striker for how we play.

"He keeps the ball, he fights and he gives us spaces to run away and he is so important for us.

"Mickey before the injury and during last season was so important for us.

"Now we've sold Seb so we need Mickey and we need him being as fit as he can.

"I am very happy he's back because you could see we are always trying to find one another and that is how the goal came."

Fornals says there's a good spirit around the club and the players believe they can continue to battle for good results.

He added: "Everyone is convinced, not just the ones who are playing more minutes.

"The subs when they come in and the people who are playing not as much as they would want, we are training hard with the desire to do good things.

"This is the only way to compete and be alive in this tough league."

Manager Moyes says the Hammers have not given up hope of doing some transfer business before the window closes at the end of the month.

But he says he won't be buying for the sake of it.

The Scot added: "It is not as if we're not trying to do that, we have tried.

"I need to try and get players who I think would make a difference and I want it to be something which I think can help us.

"If I don't I might need to look short term, just to get me through to give me another player but if not then I'll use the young players or I'll have to try and find us a centre-forward from someone else in the squad."

LAMPS: BETTER OUT THAN IN!

Chelsea keen to offload fringe players

By PAUL THOMAS

FRANK Lampard says this window is more about getting players out than bringing new faces in.

The Bridge Boys have already offloaded Danny Drinkwater on loan to Turkish side Kasimpasa.

It looks as though young defender Fikayo Tomori is on his way to AC Milan for the rest of the season too.

The Italians want an option included to make the deal permanent for £25m.

That could be a little on the low side for Chelsea who may want a sell-on clause written in for the 23-year-old who still has a future in London.

Moves are also possible for higher profile Chelsea stars like Kepa Arrizabalaga and Marcos Alonso who are both in demand from Spanish clubs.

Lampard said: "In terms of players, I think it is great for Danny to leave and go and play for himself to try and get some games.

"With Fikayo, we will see. I am not concerned with getting players out to bring some in at this point.

"I am trying to make sure the balance of the squad is right and if players do move on then that's beneficial for them and our squad, I see that as a positive."

Lampard is not sure about letting Tomori go to Milan on a permanent deal.

Only last week he said he saw the centre-back as a player with a future in his squad. He may just be trying to push up the price but Lamps seems keen to keep him at the club long-term.

He said: "Fikayo's a developing player.

"As a squad we had four centre-backs last year, and you can't play four in one game.

"And you try to find consistency at different times. At one point Fikayo was in that, and then later on not so much.

"And this year we have five centre-backs, so the predicament is difficult for centre-backs who are not playing regularly.

"And that's why he may go out on loan for his development, he's a young player and he's had a huge rise in the last two or so seasons since I've been working with him, and that will continue, and we'll find the best path for that."

One player whose future at Chelsea seems guaranteed is Mason Mount.

Lampard is a big fan of the 22-year-old and has seen him start to bang in the goals.

The Blues boss is tired of people accusing him of favouritism when it comes to Mount.

He said: "I think his work ethic in training is good, the way he keeps his standards high every day.

"There are things other players can look at with Mason. I'm not sure how anybody can really criticise him of late. I felt it last year. Last year, Mason was playing regularly for us and I felt some of the critics.

He does so much great work for the team off the ball, which I think maybe for the naked eye is not as exciting as an overhead kick or a treble step over."

City to close gap on United

KEY MAN: United need Pogba to fire

OLE'S REDS LEFT FEELING BLUE

IT'S a huge midweek in the title race with all three main contenders in action — no offence Leicester supporters!

The two Manchester teams and Liverpool all have good winning chances although United have a tricky visit to an improved Fulham side to get through.

Face facts, they might as well give City the title now if Sunday's action at Anfield is anything to go by.

Liverpool's fabled front three are performing like League One players with Roberto Firmino in particular in dire need of a new pair of shooting boots.

Scrapping

Thiago Alcantara made the United engine room of Fred and Scott McTominay look like a couple of Aston Villa's kids they had to field in the FA Cup because of the Covid outbreak.

If Pep Guardiola's team can't finish above those two then they have serious problems and I wouldn't be shocked if both Liverpool and United ended up scrapping it out for one Champions League spot.

Having said all that, you have to think Jurgen Klopp's men can end their goal drought against Burnley on Thursday night.

It's amazing to think that the Salah, Mane, Firmino axis has managed just one goal in their past four Premier League outings. The problem is that the Reds are too busy worrying about protecting their patched up defence instead of letting the midfield and full-backs pile forward as they have done for the past couple of seasons.

Teams are able to concentrate on strangling the front three knowing that there is little threat coming from elsewhere.

This will be another battle with the Clarets past masters of handling lots of pressure.

Two of the last three Anfield meetings of these two have ended up 1-1 and the Clarets have scored in six of the past seven clashes with their Lancashire neighbours.

So it could pay to support Liverpool to win and both teams to score at 15/8 with Bet365.

City should be able to stay in second gear when the face Aston Villa at the Etihad.

The home side are just 1/4 with most firms and that looks about right.

City have gone odds-on to win the title after the weekend games and it's pretty easy to see why.

Finding a route to a decent profit in this game is not so easy because of the skinny prices. It's 6/4 for City to win both halves and that looks decent for something that should happen.

United are under pressure to keep their good run going but Fulham will be no pushovers at Craven Cottage.

STRUGGLE: Roberto Firmino

Narrowly

The bookies are offering 5/1 about the home side while it's 10/3 the draw and 1/2 about United, which looks way too short.

Fulham were beaten narrowly by Chelsea at the weekend and have enough about them to hold the Premier League leaders to a draw.

United have a fantastic away record but haven't been setting the world alight. They were a little lucky to win at Turf Moor before their Anfield stalemate.

That 10/3 about this ending all square looks fair enough with 1-1 the most likely correct score which is a best price of 15/2 with Bet365.

BLOWING BUBBLES: Bairstow

BUBBLE HARD TO BAIR FOR JONNY

CRICKET By ANDY MILLOM

JONNY Bairstow says winning the first Test against Sri Lanka makes the trials of the bio-bubble all worthwhile.

The England players have been stuck in their hotel for a couple of weeks with little time spent outside their rooms.

The Yorkshireman steered Joe Root's side to a seven-wicket win in the opening game in Galle despite a little wobble as they chased down 74.

Bairstow said: "It's tough, I'm not going to lie about it. It's something that does take its toll, because you are going from hotel to the cricket ground and back to the hotel, and unfortunately the guys are not able to see their families, kids, wives, girlfriends over long periods of time.

"The lads have all got addicted to Call of Duty, but it's the Skype chats with people back home who have been with you through thick and thin that keep you going.

"And it's wins like this, and moments like this, that really make it even more special when you're away from home so much."

Bairstow was under pressure as he's been in and out of the Test side in the past couple of seasons.

There are likely to be changes to the bowling attack for the second game which starts later this week.

But Bairstow is sure to keep his spot at No3. And Dan Lawrence was another to impress on debut as he hit 73 in the first innings and was unbeaten on 21 in the second.

Captain Root is happy with their contribution to the cause.

He said: "That's exactly what you want to see as captain, guys getting opportunities and really taking them in both hands. For a young guy like Dan to come in and play with such maturity, such a calm nature, and to be put in that situation and handle it how he did was really impressive for a guy making his debut,

HAPPY: Root

"And it's really pleasing for Jonny as well.

"I think both innings showed his class, showed he's got a very good game against spin, and a very good game for Test cricket.

"It's lovely to see them both perform so well and start the winter really strongly with a good victory."

RISING STAR: Darwin Nunez

THE NU AGUERO

City line up Benfica hitman Nunez

By JOHN ANTHONY

MANCHESTER City want Benfica striker Darwin Nunez to replace Sergio Aguero.

But they face a battle to get the Portugeezers to part with their prized asset.

Aguero has made no secret that he would like to end his career with his boyhood team Independiente in his native Argentina. He started there as a nine-year-old and wants to bring the curtain down on his career at the club.

Aguero's contract runs out at the end of this season and there is no sign of him penning a new deal.

He turns 33 this summer so time is running out to make his dream come true. And it looks as though Pep Guardiola has found his new No9.

Benfica forward Nunez has only been at the club for one season after a £21m move.

But he has made a big impression in the Portgual top division with eight goals in 21 outings.

That may not seem a lot but the 21-year-old has already earned his place in the Uruguay national team and City want to strike before other teams start circling.

The sticking point could be the £60m that Benfica will demand for him.

He has four years left on his contract so they would need top dollar to sell this summer.
